**Note:** This Equipment List is not intended to cover all hunting situations and is designed for a big game hunt out of a remote camp.

Your need for any item listed is directly dependent on the type of hunt you are preparing for. Good Luck!

**Survival Kit Recommendation** – Anytime you venture into a wilderness situation, a basic survival kit is a must. Below are a few items we recommend you carry:

aluminum foil / compass / first aid kit / fishing kit / leather gloves / lithium or alkaline battery powered penlight / insect repellant / parachute cord / sewing kit / signal mirror / small multi-tool / snare wire / space emergency blanket / survival candle / survival rations / water disinfectant tablets / whistle / windproof & waterproof matches / container or pack to hold your kit contents
